BACK GROUND

Francis Kwehangana is the founder of Aswangah Construction Services Limited. In 1997, when Kwehangana Francis completed his studies, he opted for self-employment to being employed. He sold his two cows at home in order to raise starting capital. He started by running grocery shop until in 1999 when he changed the business and started supplying building materials to construction sites. It is during this time that he conceived the idea of starting a construction company.

Thereafter, together with Mr Nyakaana Arthur went ahead and registered Aswangah construction service limited by shares Aswangah Construction services Limited was registered in 2003 under the company act (CAP85) of the republic of Uganda. Mr Kwehangana Francis– (business man) and Mr. Nyakana Arthur (Business man) were its first directors. Later Nyakaana Arthur transferred his shares to Mr Asaba Richard.

Aswangah construction service limited is a first growing construction company with a very strong engineering back ground and experience Engineers. Aswangah construction services limited is located at Prime petroleum company premises (Kyanja Prime complex), Kyanja along Kisasi-Kyanja road, Plot 1260 and 1264,

“They shall be known by their works” Matthew 7:20

MISSION STATEMENT

Aswangah Construction Services Limited is committed to building our clients' vision through creative solutions, and excellent performance.

Aswangah Construction Services Limited leads by example and unparalleled services set the foundation in every aspect of our organization. We treat our clients and our employees with mutual respect and an unwavering can-do attitude define and drive our business.

1. **Building Excellence Together:** At Aswangah Construction Services Limited, our mission is to consistently deliver high-quality construction solutions that exceed client expectations. We are committed to fostering collaborative partnerships, embracing innovation, and ensuring the highest standards of safety. Through our expertise and dedication, we aim to be the construction partner of choice, contributing to the success and sustainability of the communities we serve.
2. **Constructing a Legacy of Quality and Integrity:** We at Aswangah Construction Services Limited are on a mission to build more than structures; we are dedicated to constructing lasting relationships, fostering a culture of integrity, and delivering excellence in every project. Our commitment to quality craftsmanship, environmental sustainability, and social responsibility guides us as we create enduring structures that stand as a testament to our values and the trust placed in us by our clients.
3. **Transforming Visions into Reality:** Empowering dreams through construction, Aswangah Construction Services Limited is driven by a mission to transform our clients' visions into tangible reality. With a focus on innovation, efficiency, and sustainability, we strive to be the catalyst for positive change in the built environment. Our unwavering commitment to quality, safety, and client satisfaction defines us as a construction company that goes beyond the ordinary, turning aspirations into enduring landmarks.

OUR VISION

Aswangah Construction Services Limited will be a leader in the construction industry, recognized and valued for its uncompromising commitment to quality assurance, cost and time management and continued display of integrity for the clients satisfaction" "Aswangah Construction Services Limited strives to be a go-to contractor for our government clients, non-governmental clients and individuals with national and international projects. We will continue to meet the changing needs of our clients still providing them with quality services delivered by the most qualified people. With a well-defined direction in place, the path to realizing our Vision is based on fundamental drivers, instrumental in achieving our goal through.

- ✓ **Engineering and Construction Leadership:** To achieve leadership in engineering and construction, we will continue setting the standard for precise product costing. Our unwavering commitment to excellence ensures top-notch quality, timely delivery, and a focus on safety and environmental sustainability. Through continuous innovation, we aim to be recognized as the epitome of unmatched performance, a crucial step toward realizing our vision.

“They shall be known by their works. Matthew 7:20”

- ✓ **Effective Management Culture:** Central to our vision is an organizational culture that prioritizes efficiency and instils strong work ethics. Through continuous improvement, we empower our personnel to actively contribute to our organizational success. We firmly believe that investing in our people is a cornerstone step towards sustained growth, a key element in achieving our overarching vision.
- ✓ **Distinct Value Building:** As we work towards becoming a uniquely distinct firm, our commitment to consistently surpassing expectations through quality craftsmanship, innovation, and ethical practices becomes a pivotal step. This commitment not only sets us apart but also forms the foundation for enduring relationships with our clients and partners—integral to achieving our long-term vision.
- ✓ **Focused Growth and Recognition:** With a dedicated focus on controlled organizational growth, we recognize that sustained success is contingent on the contributions of our team. Our organizational culture places high regard on recognizing achievements, ensuring strategic evolution while upholding cohesion and excellence—progressive steps towards realizing our broader vision.
- ✓ **Diversified Business Activities:** In our journey towards the company’s vision, our diversified business activities are strategic steps. These activities encompass general contracting, decoration, and the trade of building materials. From concrete pipe making to quarry works, carpentry, and retail trade, we offer a comprehensive solution, addressing a wide array of construction needs to solidify our position as a versatile and indispensable entity in the realization of our overarching vision.

MOTTO

Aswangah construction services is known by its motto “they shall be known by their works” Mathew 7:20”

OUR FUTURE

With our values and mission firmly in place, we are targeting controlled growth and sustained profitability in the future. Our responsibility to our clients, employees, and shareholders remain the principal focus of our operations and is defined by our corporate values. As we move into the future, Aswangah Construction Services Limited will take its ventures beyond the design stage – creating a physical reality that can be touched and felt. With the rough road ahead, we are ready to take on whatever challenges that come its way without losing sight of its vision; all of us at Aswangah Construction Services Limited remain committed to excellence and growth.

**ASWANGAH
CONSTRUCTION
SERVICES LTD.**

CORPORATE VALUES

At Aswangah Construction Services Limited, our core values define our identity and guide our actions. Committed to excellence, we pursue the highest standards in every project with integrity as our cornerstone. Embracing innovation and investing in our people, we prioritize sustainability, client satisfaction, and teamwork. These values embody Aswangah Construction Services Limited's essence, steering us toward our collective vision.

PEOPLE

Aswangah Construction Services Limited, we recognize the value of our people and continually strive to develop human resources. We recruit knowledgeable and highly skilled professionals while providing opportunities in training and self-development.

COMMITMENT

Aswangah Construction Services Limited firm is committed to deliver quality projects and services that has resulted in the company's acceptance as one of the leading Engineering and Construction firms in the region. "Our understanding of client specifications, requirements and the importance of a timely delivery, has served as the principal foundation for our acceptance as an industry leader."

INTEGRITY

"Over the years, our commitment to integrity has garnered trust and loyalty from customers. As a result, we've built a strong customer base who repeatedly choose our services. At Aswangah Construction Services Limited, our integrity is proven through a track record of successful projects, forming the foundation for ongoing success and future opportunities."

ADAPTABILITY & FLEXIBILITY

“Our clients have given us the opportunity to adopt to various conditions and changes in order to meet project demand. This includes the flexibility to adjust construction specifications when necessary. All of our projects are custom built and tailored to meet specific requirements; this adaptability and flexibility are key factors that have encouraged our clients to return to Aswangah Construction Services Limited for their most important projects.

CONTINUOUS LEARNING

At Aswangah Construction Services Limited, learning is ongoing. We believe in integrating the latest in construction and engineering technology to ensure that our projects are not compromised by disruptions or obsolescence. Our IT and communications network has provide the backbone support necessary to move us forward into 21st century. This technology is incorporated into all projects with a support system that is advanced and efficient.

“They shall be known by their works” Matthew 7:20

**ASWANGAH
CONSTRUCTION
SERVICES LTD.**

TRUST

With decades of construction and engineering expertise under our belt, Aswangah Construction Services Limited has earned the trust and support of clients. With numerous industry awards and recognition from both customers and peers, we are confident in our ability to deliver superior products in accordance with customer requirement.

CUSTOMER SATISFACTION

At Aswangah Construction Services Limited our work is never complete without the final nod of approval from our clients. Construction and engineering work is processed through stringent quality control measures and only after tedious inspection and tests is the project handed over to the client. We are committed to our clients' approval and our work is not complete until all specifications have been met

“They shall be known by their works” Matthew 7:20

Our service includes

Building Construction:

At Aswangah Construction Services Limited, we specialize in all facets of building construction. From residential to commercial and industrial projects, our experienced team employs cutting-edge construction methods to bring your vision to life. Our portfolio includes bespoke homes, office spaces, and industrial facilities. We prioritize collaboration with our clients to ensure that each project is tailored to their unique needs, delivering structures that stand the test of time.

Construction Project Management:

Our construction project management services at Aswangah Construction Services Limited are designed to streamline the entire project lifecycle. From initial concept to project completion, we handle project planning, budgeting, scheduling, and coordination. Our experienced project managers ensure efficient communication, risk mitigation, and adherence to timelines and budgets. With a proven track record in diverse projects, our project management expertise is a cornerstone of successful outcomes.

Building Material Trade:

As merchants and dealers, Aswangah Construction Services Limited offers a comprehensive range of high-quality building materials. From stones and sand to lime, bricks, timber, hardware, and tiles, our extensive inventory caters to the diverse needs of construction projects. We prioritize sourcing materials from reputable suppliers, ensuring durability and reliability in every project we undertake.

“They shall be known by their works” Matthew 7:20

✓ **Safety and Quality Assurance:**

Safety and quality assurance are embedded in the ethos of Aswangah Construction Services Limited. Rigorous safety protocols and continuous quality checks are integral to our construction processes. Our commitment to creating a safe working environment not only safeguards our team but also ensures that the final output meets and exceeds industry standards. Quality assurance measures are implemented throughout the construction lifecycle, guaranteeing the longevity and reliability of our structures.

✓ **Environment And Sustainability:**

At Aswangah Construction Services Limited, we embrace environmental responsibility and sustainability in our construction practices. From eco-friendly building materials to energy-efficient design solutions, we prioritize minimizing our environmental impact. Our team is well-versed in sustainable construction methods, helping clients achieve their environmental goals while delivering projects that stand as beacons of responsible construction.

✓ **Industrial Construction:**

Industrial construction requires a specialized approach, and Aswangah Construction Services Limited is equipped to handle the unique challenges of this sector. From manufacturing facilities to warehouses and distribution centers, we apply industry-specific construction methods to ensure functionality, efficiency, and compliance. Our experience in industrial construction spans various sectors, and we excel in delivering projects that meet the stringent requirements of industrial clients.
